Choreographer's Circle and its

Impact of Membership and Investment

Choreographer's Circle members are donors who graciously give unrestricted \$1000 and more annually to The Dance Centre and commit to at least three years of giving. Because revenue from ticket sales account for less than 10% of operating costs, The Dance Centre relies on donor generosity to help us define excellence in contemporary dance. Gifts are investments in the future of dance, ensuring that gifted choreographers get to work with talented dancers in a world class facility built just for dance.
